

# Whatever the Weather

A weather house  
Sitting on a quiet wall  
The little lady comes out  
when it's going to be sunny  
The little man comes out  
when it's going to rain  
Day after day  
Week after week  
Month after month  
Year after year  
Never together  
Always alone

But what would happen  
If one day, they came alive...

Mrs Sunshine comes out in the sun

Mr Rain comes out in the rain

Mr Rain finds some baby birds

Mrs Sunshine puts the birds in a tree

And breaks the pipe!

Mr Rain makes a wonderful water run

Mrs Sunshine and Mr Rain take turns to share their weather world but...

She wants it like this!

He wants it like that!

They become so cross with each other  
that everything gets broken...

Where are the birds?

Mr Rain finds one

Mrs Sunshine finds the other

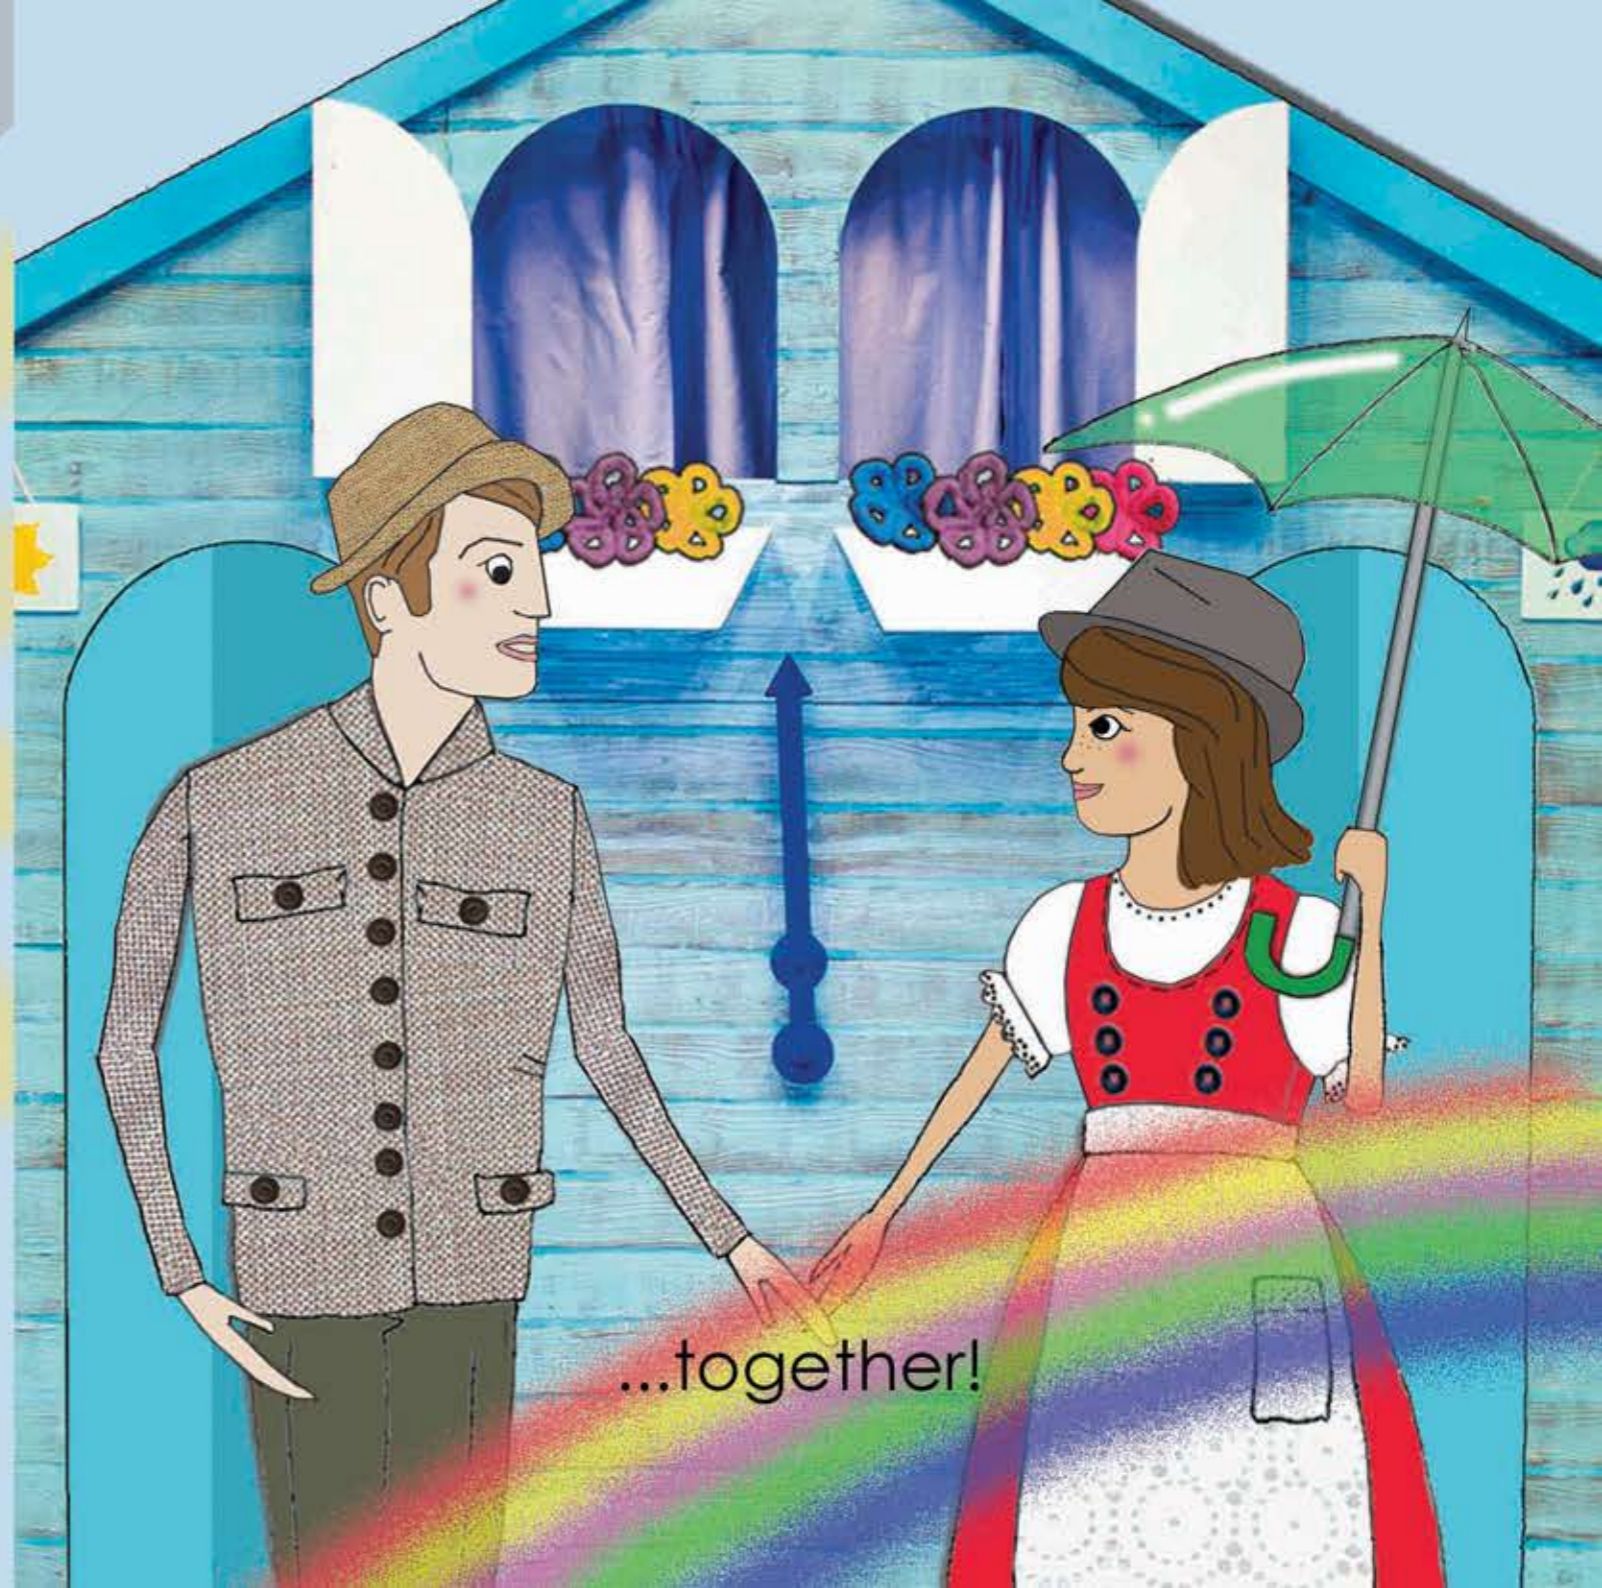

They are so happy!

They play in the rain and enjoy the sunshine...

...together!

M6 Theatre Company is one of Britain's leading specialists in making and touring dynamic, high quality and original theatre for young audiences.

This story book has been specially created to accompany M6's play  
Whatever the Weather.

We hope children will enjoy sharing the story with others.
